

1-3-'02

Dear Paavo!

We are sending you these copies Pap took <sup>from</sup> a book my father had kept, while he was in army 1928 in Lemminkä Lahti, Finland. Drawings are his drawings and they are explained what they are. Letter is farewell from soldier who is going home. It's practise to you since it is written in Finnish. as all is in Finnish.

hoping you'll like & keep these,

Love, Mom
