Certificate to test Nokia 9000i Communicator in US

Mr. John Tengström, Director of New World Targets Oy has got Nokia 9000i Communicator for a loan from Nokia Mobile Phones Finland. John Tengström is using the device for testing purposes and for examining the functionality of the device. Main functions to be tested in Nokia 9000i Communicator are voice calls, fax sending and receiving, data calls (mobile originated and mobile terminated) etc.
